## Collett Expand with 76,000 sq ft Bradford Facility

Leading specialist transport Company, Collett & Sons Ltd, have expanded their operations, purchasing 76,000 sq ft of warehousing and office space at their new Bradford site.

This new 2.32 acre Bradford site is situated less than 2 miles from Junction 26 of the M62 offering excellent access to the motorway network, and perfectly placed to serve the West Yorkshire region for distribution services across the UK.

With storage facilities already offered across their Halifax, Goole & Grangemouth Depots, the acquisition of this Bradford site provides an additional 7,000m<sup>2</sup> secure indoor warehousing.

This additional 6.5m high facility lies 3 miles south of Bradford city centre and allows Collett to further expand their warehousing and storage facilities. This new depot, can accommodate long and short term storage requirements, furnished with cargo lift and handling equipment up to 12,000 Kgs.

This is added to Collett's existing 5 acres of indoor and outdoor storage at their Head Office in Halifax, 12 acres at their Goole Heavy Lift facility and their 3 acre portside Grangemouth site in Scotland.
